MIL▽PAC TECHNOLOGY — DLA Order Fulfillment - *fast!*

Shipping Defense Logistics Agency orders with MIL-Comply Shipper is easy:

1. **Download DLA Purchase Orders**
   - ⇒ Download Purchase Orders into MIL-Comply Shipper as easily as checking email.
   - ⇒ Purchase Order information is automatically imported and formatted, eliminating nearly all typing.

2. **Add Invoice Number & Date, etc.**

3. **Submit Wide Area Workflow (WAWF) Invoices with just a few clicks of your mouse**
   - ⇒ No typing in WAWF! Save time and labor costs.
   - ⇒ Data is more accurate since it consists largely of downloaded Purchase Order.

Add other output when required
   - ⇒ Print Mil-Std-129 Container Labels including RFID (Radio Frequency Identification) tags
   - ⇒ Print forms (DD1348-1A, DD250, etc.)
   - ⇒ Submit Receiving Report to WAWF
   - ⇒ Submit RFID to WAWF
   - ⇒ Submit UID (Unique Identification) data to WAWF and the UID Registry

Pricing:
- $1,347 to start and only $558 per year after the first year. Significant discounts are available for multiple PCs.
- **Pricing includes unlimited phone and email support and software upgrades for one year.**
